O R D E R:

In G.O.No.Ms.3185, Development, dated 15th June, 1948 the Government ordered that in order to meet the cost of the staff employed on the supervision of co-operative stores societies, fees should be levied from such of those stores societies as showed sufficient profits and requested the Registrar of Co-operative Societies to submit detailed proposals for prescribing a suitable scale of fees for the purpose. The Registrar has submitted the following proposals in his letter read above:

(1) Co-operative stores societies should not be charged for the cost of the staff employed in the Registrar's Office and for the cost of one Co-operative Sub-Registrar and one peon employed in each district in connection with their supervision;

(2) Co-operative stores societies in Madras City should be exempted from the levy of any supervision fees;

(3) the other co-operative stores societies earning a net profit of Rs.1,000/- and more per annum may be charged a fee at the rate of 5 cent of the net profits subject to a maximum fee of Rs.3,000/-

His Excellency the Governor of Madras accepts the above proposals of the Registrar and directs that supervision fees at the prescribed rates be levied from the co-operative stores societies concerned with effect from the commencement of the current co-operative year, viz., from 1st July 1948. The Registrar of Co-operative Societies is requested to take action accordingly.

Sub: Co-operative Societies - Stores Societies - Supervision- Levy of fees for supervision,
Ref: G.O.Ms.No.5286, Development, dated 26th October 1948.

In para 1of the G.O. cited, Government have directe that supervision fees at the prescribed rates be levied from the Co-operative Stores Societies concerned with effect from the commencement of the current Co-operative Year Year, viz., from 1st July 1948. It is presumed that fees at the prescribed rates are to be charged on the basis of profits earned by Co-operative Stores for the co-operative year 1948-49 after the audit certificates for the year are issued. I request to be informed if my presumption is correct.
